

PDI CHECKLIST

RV Details	
RV Stock #:	Inspected By:
Year:	Owner:
Make:	Address:
Model:	City:
RV Type:	Phone:
VIN:	
License Plate:	Mileage:

OUTSIDE: Walls Visual	Door side	Back	Off-Door side	Front
Surface condition				
Signs of leaks				
Seals and caulking				
Trim				
Doors & screens				
Windows & screens				
Vents				
Hand rails				
Awning mechanisms				
Awning canvas				
Awning wind sensor operation				
Lights				
Mirrors				
Steps				
Fuel doors, locks, and caps				
Slide external seals				
Slide operation, motorized				
Slide operation, manual crank				
Slide locking mechanism				
Slide covers (toppers)				
Fold-outs & expansions				

OUTSIDE: Roof Visual

Surface condition	
Corners and edges where walls attach	
Signs of leaks	
Seals and caulking	
Vents and vent hoods	
Skylights	
Slide covers (toppers)	
Air conditioners	
Antennas and satellite dishes	
Ladder condition	
Solar panels	

OUTSIDE: Underside Visual

Fluid leaks	
Axles	
Suspension	
Electric brake wiring	
Plumbing	
Holding tanks (water, waste)	
Underside enclosure and insulation	
Straps holding pipes, hoses, wires	
Leveling jacks (landing legs)	
Stabilizing jacks	
Drive shaft	

OUTSIDE: Storage Compartments

Overall condition	
Signs of leaks	
Shine flashlight into all openings, inspecting all visible components	
Doors and seals	
Lights	
Sliding tray and locking mechanism	

OUTSIDE: Wheels

Tire pressure	
Tire tread	
Tire walls	
Spare tire	
Lug nut torque	
Wheel rims	

OUTSIDE: Utilities

Power cable and connectors	
RV batteries (house batteries)	
RV battery disconnect switch	
RV battery sliding tray secure	
Cable TV connector	
Telephone connector	
Satellite dish connector	
Fresh water hose and connectors	
Outside shower	
Outside faucet	
Fresh water tank fill valve	
Fresh water tank drain valve	
Winterizing connector and valve (antifreeze)	
Water heater tank drain	
Sewer hose and connectors	
Sewer hose storage tube or compartment	
Gray tank dump valve	
Black tank dump valve	
Black tank pressure wash connector and valve	

OUTSIDE: Propane

Propane bottle condition	
Propane bottles and sliding tray secure	
Tanks have OPD valves (triangular shape)	
Connections, pipes, and hoses	
Level or empty indicators	
Automatic tank selector device	
Regulator output pressure	

OUTSIDE: Trailer Coupling Components

Tongue or King Pin overall condition	
Safety chains	
12V Power cord and connector	
Breakaway switch and cable	

INSIDE: General	Kitchen	Living & Dine	Bedroom	Bath
Floor plan (layout)				
Necessities are accessible with slides in				
Flooring				
Stomp on floor to detect weak areas				
Walls				
Slide internal seals				
Trim				
Windows and screens				
Drapes and shades				
Door locks or latches				
Cabinetry finish				
Cabinetry hinges, slides, latches				
Cabinetry interior				
Remove drawers, inspect behind them				
Ceiling				
Press up on ceiling to detect sagging				
Ceiling exhaust vents and fans				
Furniture				
Look under and behind movable furniture				
Mattresses				
Pull out and fold down beds				
Rodent and pest presence or damage				

INSIDE: Kitchen	
	Countertops
	Counter top extensions
	Sink
	Seals and caulking around sink
	Stove top, burners, igniters
	Stove hood exhaust fan and vent cover
	Oven and pilot light
	Microwave oven
	Coffee maker
	Dish washer
	Refrigerator works on all power sources (A/C, propane)
	Freezer
	Ice maker
	Drinking water filter

INSIDE: Bathroom

	Toilet flushes
	Signs of leaks around toilet base
	Look into black tank through toilet for hardened solid waste
	Sink and fixtures
	Shower and tub walls
	Shower fixtures
	Shower door and latch
	Shower skylight
	Washer and dryer connections (but no washer or dryer)
	Washer and dryer
	Washer hoses, indication of leaks
	Dryer vent
	Unscrew panels around and behind shower, inspect for leaks

INSIDE: Fresh Water Systems

	Faucets work
	Water heater works on A/C and propane
	Water pump works
	Water pump shuts off automatically soon after all faucets are closed
	Water pump does <u>not</u> turn on occasionally when all faucets are closed <u>and</u> ice maker is turned off (if yes, then there may be a leak)
	Water pump on/off switch
	Fresh water tank level indicator

INSIDE: Waste Systems

	Gray tank level indicator
	Black tank level indicator
	Sink and shower drains work
	No foul odor inside RV when toilet not in use (unless toilet flush valve has been open for extended periods for inspection)

INSIDE: Heating & Cooling

	Furnace controls
	Furnace puts out hot air through all floor vents
	Air conditioner controls
	Air conditioners put out cool air through all ducted ceiling vents
	Air conditioner filters
	Electric heater or fireplace
	Ceiling fans
	Thermostat controlled vent fans (<i>Fan Tastic Vent</i>)

INSIDE: Entertainment Electronics

	TV's
	TV security straps
	TV sliding tray locking mechanism
	Audio equipment
	Video equipment (VCR, DVD)
	Video source switch box (antenna, VCR, DVD, satellite, etc.)
	Antenna signal amplifier
	TV antenna controls for raising, lowering, and rotating
	Satellite dish controls for raising, lowering, and rotating

INSIDE: Electrical

	Lights, 120 Volt A/C
	Lights, 12 Volt DC
	A/C outlets have power
	GFCI breakers function
	12 Volt DC ports have power
	A/C supply to RV when connected to shore power
	A/C supply to RV when generator is running
	A/C supply to RV when inverter is running off batteries
	DC supply to RV when connected to shore power
	DC supply to RV when generator is running
	DC supply to RV from batteries
	DC supply to RV from tow vehicle via umbilical cord
	Battery charging when connected to shore power
	Battery charging when generator is running
	Battery charging from tow vehicle via umbilical cord
	Battery charging from solar panels
	Automatic power switching between available systems (shore power, generator, inverter)
	Location of fuse and breaker boxes

INSIDE: Safety Devices

	Fire extinguisher
	Smoke detector
	Carbon Monoxide detector
	Propane gas detector
	Emergency exit windows

INSIDE: Motor Home Cockpit

Upholstery
Carpet
Cabinetry finish
Cabinetry hinges, slides, latches
Cabinetry interior
Items above cockpit secure (TV, etc.)
Door locks or latches
Windows and screens
Windshield cracks and chips
Drapes, shades, visors
Driver and passenger seat belts in cockpit
Passenger seat belts in living area (sofas, chairs)
Seat adjustments
Horn
Rear view mirrors and mirror adjustment controls
Rear view camera and monitor
Steering wheel adjustments
Instrument panel
Vehicle controls
Windshield wipers and washer
Air suspension controls
Exhaust brake controls
Secondary fuel tank switch-over controls
Leveling system controls
Trailer or toad brake controls and documentation
Entertainment system (radio, CD, tape, DVD, etc.)
CB radio and antenna
Navigation system (GPS)
Security system arm, disarm, and documentation
Beverage and snack holders
Storage compartments and keys
Step well cover

Dimensions & Capacities

External length (in):	Fresh water tank 1 (gal):
Motor home wheelbase (in):	Fresh water tank 2 (gal):
Motor home wheelbase ratio (%):	Gray water tank 1 (gal):
External width, body (in):	Gray water tank 2 (gal):
External width, total (in):	Black water tank 1 (gal):
Top clearance (ft & in):	Black water tank 2 (gal):
Length when towing (ft):	Propane bottle size (gal):
Engine fuel tanks (gal):	Number of propane bottles:
For liquid weights, see Liquid Weight Calculator .	

Weights

RATINGS from manuf. (lbs)	ACTUAL WEIGHS from scale (lbs)
GVWR:	GVW:
GAWR 1:	GAW 1:
GAWR 2:	GAW 2:
GAWR 3:	GAW 3:
GCWR:	Left side:
Tire rating:	Right side:
ESTIMATES (lbs)	
Curb Weight (GVW - fluids already in GVW + all tanks full):	
Expected personal cargo weight (items you will add to RV):	
Persons weight (avg. 150 lbs × # persons):	
Adjusted GVW (add above 3 items):	
Maximum tongue weight (lesser of [GVWR - Adj. GVW] or rating): For towing a trailer behind this RV.	
Maximum tow capacity (lesser of [GCWR - Adj. GVW] or rating): For towing a trailer behind this RV.	
For weight definitions, see Understanding RV Weights . Also see Adjust GVW Calculator .	

Documentation

	Title
	MSRP sheet
	RV manuals
	Engine manuals
	Appliance manuals
	Maintenance records
	Warranty documentation for all major components and appliances
	Extended warranty documentation

You can find more RV service manuals here:

www.myrvworks.com/manuals

Over the years of running a mobile RV repair service, having a dedicated place to access service manuals for all the different appliances and components found on RVs was something that I always had a desire to create.

I hope this resource makes your RV repairs easier, as it has mine, but please be careful and follow proper safety practices when attempting to repair your own RV.

If in doubt, please consult with a professional RV technician!

DARREN KOEPP - OWNER, MY RV WORKS, INC.
